Work Experience

Silver Crest

Epoxy and Polishing Foreman

September 2014 – December 2019

Ucon Idaho

- I was trusted to maintain and ensure the proper use of the equipment, guarantee safe worksite practices and manage the crew for efficiency and quality.
- I was tasked with interviewing and assembling a crew, as well as training new hires.

VHTC

Machinery Operator

December 2019 – December 2020

Idaho Falls ID

- I operated heavy machinery for foundation and utilities residential work including a backhoe.
- I was also trusted to determine the need, purchase, and deliver materials for the jobsite in a timely manner to avoid interruption in the work schedule.
